To Whom It May Concern

Total Link Solutions have been the data cable installer of choice for Opus International Consultants Northern Region for the past 12 years.

Their work has included all facets of data cabling, setting up patch panels, adding /deleting ports / cables / power to all our offices within the region. Their specialist knowledge and expertise of the work has always been to the highest standard and can be completely relied upon to deliver on time.

Total Link Solutions knowledge of the existing Opus environment, and future requirements, is of immense value when setting up additional or refurbishing offices and will continue to be first point of call for any future projects.
